No 8709—*Ml* 24-10 16, *dated* 22*nd April* 1911

The following gentlemen are appointed members of the Chiknayakanhalli Municipal Board in place of those whose names are noted below —

(1) Mr Hyath Sahib, landholder, *vice* Mr Khaji Mahomad Hassain who has forfeited his seat on the Board by his absence from five consecutive Municipal meetings

(2) Mr Kalasaiya merchant *vice* Mr Mylarshetti whose seat is vacant by efflux of time

No 8730 –*Ml* 59 10-14 *dated* 25*th April* 1911

Whereas by a proclamation published on the 14th October 1909 at page 1337 of the English issue and at page 804 of the Kannada issue of the *Mysore Gazette* and posted up in conspicuous places in the local area it was duly announced under Section 8 of the Municipal Regulation VII of 1906 that it was proposed under Section 7 of the said Regulation to constitute the town of Mulbagal the local area within the limits specified in that proclamation into a permanent Municipality and whereas no valid objections have been made to the said proposal the Government of His Highness the Maharaja are pleased in exercise of the powers conferred on them by Section 4 (1) of the said Regulation to constitute the town of Mulbagal into a permanent Municipality and to declare that the boundary of the said Municipality shall on and from 1st June 1911 be as described hereunder —

North — The boundary line starts from the Municipal boundary stone at the north western corner of Survey No 33 of Mulbagal and follows the northern borders of Survey Nos 33 and 34 till it joins the northern pahani stone of Survey No 34 where it crosses the halla and reaches a point opposite and nearest pahani stone in south west corner of Survey No 36 wherefrom it follows the western and northern borders of Survey Nos 36 and 44 till it reaches the north eastern corner of Survey No 44 It then crosses the cart track diagonally and runs straight in the northern direction to join the Municipal boundary stone at the north west corner of Survey No 47 of Mulbagal and in the road leading to Chiluvanavakanahalli

The line then follows the northern boundaries of Survey Nos 47 48 and 49 of Mulbagal till it reaches the north eastern corner of Survey No 49 and turning southwards follows the eastern border of Survey No 49 till it reaches the junction corner of Survey Nos 49 and 51 wherefrom it turns in an easterly direction and follows the northern boundaries of Survey Nos 51 52 77 and 78 till it joins the south east corner of Survey No 115 to the north of the Masudi hamlet wherefrom the line turns in a northern direction along the eastern border of Survey No 115 to second pahani stone of the same number at the north west corner of Survey No 78 of Mulbagal where it crosses the passage of Masudi to the nearest pahani stone of Survey No 90 in a straight line and turns southwardly along the western and southern border of Survey No 90 leaving Masudi to the west till it reaches the north eastern corner of Survey No 78 where there will be located a Municipal boundary stone

East —From the last mentioned boundary stone the boundary line runs in a southerly direction along the eastern border of Survey Nos 78 77 75 71 and 67 till it reaches the Madras Cananore road at the south eastern corner of Survey No 67 where it turns in an easterly direction and crosses the road straight to the Municipal boundary stone on the road at the north east corner of Survey No 733

The boundary line then passes along the eastern and southern border of Survey No 733 till it joins the north west corner of Survey No 728 where it turns southwards and follows along the western border of Survey No 728 and of the northern and eastern borders of Survey No 731 till it reaches the south eastern corner of the same survey number and turns along the southern boundary of the same number to reach the north east corner of Survey Nos 738 There the line turns in southerly direction along the eastern borders of Survey Nos 738 and 739 till it reaches the south eastern corner of Survey No 739 The line crosses the cart track here in a straight line to join the north eastern corner of Survey No 746 and follows the eastern borders of Survey Nos 746 and 747 till it joins the south eastern corner of Survey No 747 where the line turns in a south east direction and passes along the northern boundaries of Survey Nos 575 and 576 and of the eastern borders of Survey Nos 577 and 580 (Sankara Pitha) till it reaches the south east corner of Survey No 580 wherefrom the line turning west follows the southern boundaries of Survey Nos 580 577 574 and 573 till it joins the north western corner of Survey No 578 Thence the line crosses the cart track leading to Sonnavadi to join the Municipal boundary stone at the north eastern corner of Survey No 558

South —From the last-mentioned Municipal boundary stone the line runs in a southerly direction along the eastern borders of Survey Nos 558 and 551 till it reaches the south western corner of Survey No 552 and from thence it follows the thread of the water course till it joins the south eastern corner of Survey No 537 leaving Survey Nos 540 539 and 537 to the west and turns west and joins the southern corner of Survey No 440 running straight

along the bed of the tank, and crossing the Betamangala road where there will be Municipal boundary stone in the road From thence the line passes along the southern borders of Survey Nos 17 and 18 of Someswarapalya and of Survey Nos 450 and 761 of Mulbagal till it reaches the south west corner of Survey No 761 Then turning southwards follows the eastern and southern borders of Survey No 26 and of the southern border of Survey No 34 of Someswarapalya to the north of the kodi channel of Someswarapalya tank till reaches the south west corner of Survey No 34 of the same palya where there will be a Municipal boundary stone

West—From the last said Municipal boundary stone, the line turning in northern direction follows the bund of the tank till it reaches the Kolar Mulbagal road at the north western corner of Survey No 43 of Someswarapalya leaving Survey Nos 34, 35, 38, 40, 41 and 43 to the east and crosses the Kolar Mulbagal road diagonally in a westerly direction to the south-western corner of Survey No 404 of Mulbagal where there will be a Municipal boundary stone in the road

The line then follows the western border of Survey No 404 crosses the Srinivaspur road and reaches the south western corner of Survey No 24 of Mulbagal and runs along the western borders of Survey Nos 24 25 and 26 of Mulbagal till it reaches the north western corner of Survey No 26 wherefrom it crosses the halla to the nearest pahani stone of Survey No 28 and follows the western borders of the same survey number till it reaches the north west corner of Survey No 28 where it crosses the halla to the south-west corner of Survey No 29, follows the western borders of Survey Nos 29, 30 31 32 and 33 till it reaches the Municipal boundary stone at the north western corner of Survey No 33 of Mulbagal from which the line was first started

Within the Municipal limits therefore lie the lands of villages of Mulbagal and Someswarapalya and Indlakere.

The total area of the newly constituted Municipality is about 782 acres

No 8752—*Ml* 59 10 15 *dated* 25*th April* 1911

Whereas by a proclamation published on the 25th August 1910 at page 203 of the English issue and at page 210 of the Kannada issue of Part II of the *Mysore Gazette* as also in the local area, it was duly announced under Section 8 of the Mysore Municipal Regulation VII of 1906, that it was proposed under Section 7 of the said Regulation to constitute the town of Chikballapur the local area comprised within the limits specified in that proclamation into a permanent Municipality and whereas no objections have been made to the said proposal the Government of His Highness the Maharaja are pleased, in exercise of the powers conferred on them by Section 4 (1) of the said Regulation, to constitute the said town of Chikballapur into a Municipality and to declare that the boundary of the said Municipality shall on and from the 1st June 1911 be as described hereunder:—

The boundary line commences from the boundary stone No I at the beginning of the 5th furlong of the 35th mile of the Bangalore Bellary road, 78 yards to the south of the north western corner of Survey No 269 of Chikballapur kasba and crossing the said Bangalore road proceeds to the north in a line with the western margin of the said road until it meets the north eastern corner of Survey No 351 and thence turning to the west passes along the northern boundary lines of Survey Nos 351 and 350 of Chikballapur kasba until it meets the footpath leading to Venkatakrishnappa s well

It crosses the footpath and continues in the same westerly direction along the northern boundary lines of Survey Nos 353 348 347 346 345 344 340 339 338 337 336, 335, 322, 321 320 319 316 315 314 301 300 299 and 297 of Chikballapur kasba until it meets the Kandavara gate At this point it turns to the south and proceeds along the western boundary lines of Survey Nos 296 295 and 294 of Chikballapur kasba to meets the channel of Kandavara tank and again turning to the west passes along the channel and meets the boundary stone No II crossing the Nandi road at 50 yards to the north of the 1st mile stone

From this point the western boundary line runs northwards along the bund of Kandavara tank and crossing the kodi channel of the said tank skirts round the western boundary of Survey No 229 and western and northern boundaries of Survey No 228 of Ganganamidde village and includes the said numbers

From there it proceeds northward along the eastern boundary lines of Survey Nos 227, 226 225 224 223 and 222 of Ganganamidde village and skirting round the northern boundary of Survey No 222 proceeds to the north along the eastern boundary lines of Survey Nos 332 333 334 336 337 338 part of 195 and 194 of the same village and crosses the cart track leading to the Ganganamidde village Thence the boundary line turns to the east and passes along the southern boundary lines of Survey Nos 176 342, 175, 174, 172, 171, 170 169 168 166 and 165 of the above named village, till it meets the south-western corner of Survey No 165
